

BIZCOURIER WEB SERVICES

Dear Partners,

We would like to inform you that BizCourier now offers you the ability to create lists of consolidated shipments directly from your company's software or website by taking advantage of BizCourier Consolidated Shipments List Web Service.

Requirements	
Method	Description
getvlist	The method that creates consolidated lists according to the given input. *The method creates one list per destination point including all the shipments that start from this point.

Web Service Call Input Fields

Input Fields	Description
Code	Client's Code.
CRM	Client's CRM code.
User	The Username which is used to login to https://www.bizcourier.eu
Pass	The Password which is used to login to https://www.bizcourier.eu
Waybill_Numbers	Waybill numbers separated by commas ",". Example: SWS49999991,SWS49999992,SWS49999993
FromDate	Date in format : YEARMONTHDAY Example : 20200223 Shipments will be >= of the given date.
Delivery_Country	The Country's ISO 2digit Code. For example: Spain = ES , Cyprus = CY , Greece= GR Delivery country is the destination country of the shipments.

The above fields : Waybill_Numbers, FromDate, Delivery_Country are not mandatory.

If you leave them blank, then the service searches and finds all the shipments that do not exist in a consolidated list according to the default criteria. These 3 fields can be used in any combination.

Web Service Output Fields

Output Fields	Description
Error_Code	0 : No errors found Number greater than 0 indicates an error, so the consolidated list has not been created.
Error_Description	Description of the error code above
Unique_Code	Consolidated Lists Unique Code.
Warehouse_Country	2 digit ISO of the Delivery Country
Waybill_List	A base 64 string containing the pdf file that must be printed and shipped with the consoli-dated shipment

WSDL

The WSDL file can be downloaded from the link:

https://www.bizcourier.eu/pegasus_cloud_app/service_01/consol_list.php?wsdl

or emailed to you on request at itsupport@bizcourier.eu

You may start testing it with SoapUI Software by clicking on the link below: <http://www.soapui.org/>

If you require any further information or clarification please email your queries to itsupport@bizcourier.eu and we shall be more than happy to assist you.
